Create paychecks

Intuit calculates your paychecks instantly. Pay employees with free direct deposit, or print checks & stubs on your own printer, directly from our system.

Manage Taxes

Federal & states taxes are calculated for you. Just click to pay and file your taxes or print completed forms on your printer. Unlike other payroll services, we let you keep your payroll tax money until it's due.

Low monthly fee covers everything

The regular monthly fee is \$25/month. This fee covers everything for the business & the first employee, including:

- Run payroll an unlimited number of times each month
- Direct Deposit
- Electronic tax payments
- Quarterly & year-end tax filings
- W-2s
- Live support by phone, chat, & e-mail
- Guaranteed accurate tax calculations

Each additional employee is just \$1 per month. If you file taxes in more than one state, each additional state is \$12 per month.
